LOCATION...LIFESTYLE...LAKE... AND MORE

WELCOME HOME TO BEACON LAKE

Anchored by a paddle-friendly 43-acre lake and nestled within 358 acres of nature preserve, Beacon Lake will offer today's most sought after lifestyle amenities and architecturally distinctive homes – in a prime location with easy access to business centers, schools, shopping, beaches and more.

AN INTIMATE COMMUNITY WITH "BIG COMMUNITY" AMENITIES

Beacon Lake was thoughtfully designed to feel intimate and friendly – while still offering the "big-community" amenities your family desires.

There will be pocket parks, sidewalks throughout, "stop-a-whiles" – some with fire pits, swings and benches – and a bark park, making it easy to spend time outdoors with your family and get to know your neighbors.

EASY ACCESS + GREAT SCHOOLS

Situated between I-95 and US 1 on County Road 210, Beacon Lake is an easy commute to Jacksonville and St. Augustine – and within the A-rated St. Johns County School District.

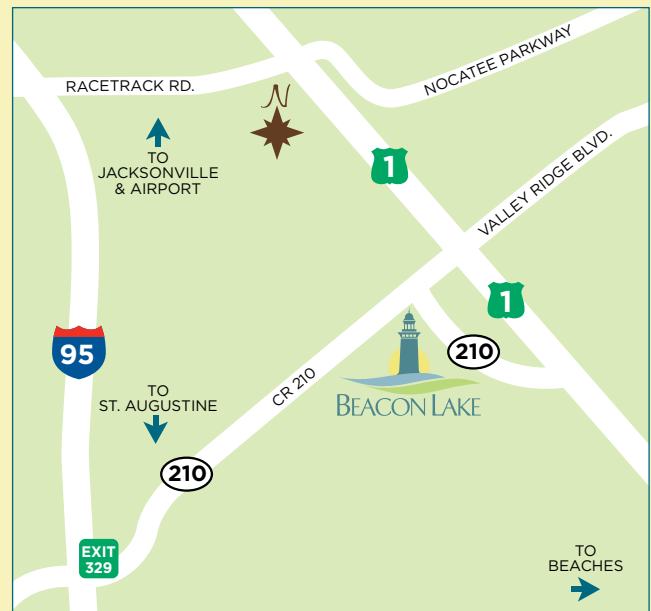

RESORT STYLE AMENITY + FITNESS CENTER

Coming in 2018, the community's 8,200 sq. ft. Lake House Amenity and Fitness Center will be home to indoor and outdoor activities for every member of your family:

- Cool off at the Splash Park and fun pool, junior Olympic swimming pool or lakeside sand beach.
- Launch your paddleboard, kayak or canoe and paddle to your heart's content.
- Exercise or take a spin class in the state-of-the-art fitness center.
- Cook something new in the culinary studio and demonstration kitchen.

And, there'll be so much more!
